

We are a riding club who loves to go exploring and have fun. We live and ride in motorcycle heaven more commonly referred to as Southern California where there are in excess of 350 beautiful riding days in any given year.

Benefits of membership with the **South Coast BMW Club** include memorable day rides, weekend camping and motel trips, our famous annual picnic, great camaraderie and so much more! Our unofficial motto is "Ride to Eat." Yes, we enjoy good food.

Our Calendar of Events will give you a better idea of our club and our rides.
